

A word cloud of trade-related terms. The words are arranged in a roughly rectangular shape, with 'united states' being the largest and most central. Other prominent words include 'international trade', 'trade deficit', 'free trade', 'trade policy', and 'peoples republic'. Smaller words like 'trade laws', 'developing countries', 'trade practices', 'trade barriers', 'trade representative', 'trade partners', 'trade', 'unfair trade', 'textile industry', 'american jobs', 'african government', 'economic sanctions', 'states code', 'prime minister', 'foreign countries', 'foreign governments', 'international terrorism', 'united kingdom', 'hong kong', and 'peoples republic' are scattered around the central terms. The font is a clean, sans-serif typeface, and the colors are a mix of muted blues, greys, and earthy tones. The background is a light, textured surface.
